Are you are an artist? Are you in love with the idea of producing your own music? Do you know of a singer or songwriter who needs your help? If so, you probably will need to learn how to start an independent record label. It may be worthy to note at this point that independent labels contribute a huge part of the \$48 billion global music industry.

Let me help you understand how to start an independent record label by understanding what an indie label or independent label is.

### **What is an independent record label?**

An independent record label is a record label that is not funded or under the umbrella of a major record labels i.e., EMI, Universal or SonyBMG.

However, the learning of how to start an independent record label may also be in the minds of big name artists who want to introduce fresh talents in the music industry. This venture of established artists may be in partnership with major record labels as well.

### **How to start your own record label?**

- It may be good to know that if you are the artist of your own record label, it may be quite difficult for you to manage your business and your performance as well.
- If you are however the producer, the knowledge of how to start your own record label may need some serious understanding, because you will need to learn how to deal with your talents, their managers, distribute their music and manage your business.

I did not say that to start your own record label is bordering on the impossible. Why then do you think that many indie record labels thrive? This is merely to say that there is no overnight success in starting your own record label.

Having said this let me tell you some of the basic requirements of starting your own record label:

- Recognize great music.
- Basic business understanding such as marketing, bookkeeping product, development and business negotiation
- Patience and a lot of it.

How to start an independent record label is a learning you will need to understand deeper. This is if you truly want to succeed in producing your own labels.
